Dear Families:

In our efforts to begin a wide variety of events and experiences for our students, we need to once again emphasize that from time to time, we will take certain groups of our students on local field trips, in and around Doniphan.

Teachers and aides always accompany students on the bus, and buses are driven by district bus drivers. We apologize for the inconvenience this may cause some of our families as you try to pick up your child early.

Also, please call us before 1:00 p.m. if you need to pick up your student between 3:00 and 4:30 p.m. This is the time period used for field trips.

Please sign the form below if your student has your permission to attend these local field trips.

The phone number for Summer BEEP After School during regular school hours is: (573) 996-3667 ex 1058. You may also call me at (573) 208-8440. You may also contact the elementary, intermediate or middle school offices.

Thank you for allowing your student to participate in our BEEP Program!
